

Ottawa Valley Button Club Membership Form

The Ottawa Valley Button Club (OVBC) is a group of people with a passion for clothing buttons. Our members collect a variety of buttons from antique or vintage to military to modern.

The Ottawa Valley Button Club is a not-for-profit club focussed on learning about, preserving and displaying buttons as part of the joy of collecting them. The OVBC offers a relaxed and non-competitive opportunity to get to know others with similar interests, to swap buttons and button stories, to network with those in other button clubs and to educate and teach ourselves about the history, art, fashion, socio-economics, workmanship and production of clothing buttons. To further this aim, the Club publishes an informative newsletter three times per year. Members meet eight or nine times per year at varied Ottawa locations.

If you would like to become a member of the OVBC and receive a copy of the OVBC newsletter three times per year, please complete the following and submit it along with your annual membership fee of \$20.00 CDN. Payment can also be made through PayPal either by 'sending money' to ottawavalleybuttonclub@gmail.com or by using the 'BUY NOW' button on the 'BECOME A MEMBER' page on our website -- www.ottawavalleybuttonclub.ca .
